

3865 Barrier-Free Shower Floor

ADA Compliant · 38" Deep x 65" Wide

If your task is creating the ideal shower space for those who are wheelchair-bound or challenged with limited mobility, then build your plans around the Model 3865 shower floor from E.L. Mustee & Sons, Inc.

This high strength, molded-fiberglass shower floor includes a curbless design and low-rise entry ramp that requires minimal effort to navigate. Fully ADA-compliant, the spacious Model 3865 will allow a standard wheelchair to rotate a full 360° within its footprint to facilitate easy entrance and exit from the shower.

Mustee also produces numerous other ADA-compliant products that can be used in combination with the Model 3865 shower floor...visit www.mustee.com for complete details.

Features:

- High strength, molded-fiberglass construction
- Center drain location 19" x 32 1/2"
- Sturdy, low-rise easy-entry
- Slip-resistant surface with Starburst® design
- Meets radius requirement for wheel chairs
- Easy to clean, mold/mildew/stain resistant semi-gloss finish
- Order entry ramp separate for curbless entry
